WSF Action Workshop: Connecting Sustainability Solutions to Social Needs

- We are all affected by climate change
- But we can work together to have the world we need
- Come and know your climate impact
- Book, know and save climate and health
- Come, know and save money
- We can plan together
- Establish a footprint together
- Offer solutions and offset together
- Together we can meet 55% climate aim

Yes, we can! Book at:
